1962

Dorothy,

Being a classmate and very close friend of yours has meant a lot to me in the past years, especially the last three years. We have had so much fun together. Remember all those times we have been to Goldboro. Remember the night after the Junior Play. I don't guess you'll ever forget that night. I hope we have many more good times during the rest of this year, the summer, next year and after school. I think you are one of the sweetest persons I know and I hope one day you and I will be related. Don't you? I know success will be yours if success is what you want but I've got a feeling you had much rather have a certain Good Looking boy. With a personality, looks and a brain like yours nothing will be impossible for you to accomplish. May God bless you and keep you for the very lucky guy who gets you. Please do me one favor, stay the same "Dorothy" that I know, sweet, understanding and one that means the world to me. Don't ever change anything but your last name and when you change it I hope it will be the same as mine.

a friend & Pal

Brenda

Dorothy,

you a wonderful mother who is  
sweet & kind. I love you!

Your Daughter,  
Suzanne

# *The Grannawayne '62*

VOLUME XI  
PRESENTED BY  
THE SENIOR CLASS  
OF  
GRANTHAM HIGH SCHOOL  
GOLDSBORO, NORTH CAROLINA

## *Foreword*

This edition of the GRANNAWAYNE portrays all that is good and not-so good in our work and play that we, the students, have experienced at Grantham School. Moments of excitement, achievement, elation, and even anxiety are commemorated on these pages. The staff has endeavored to capture the warm spirit of fellowship existing within the student body.

We, the Seniors of 1962, wish to express our gratitude to our parents and teachers who have given their time and inspiration to help make this edition possible.

Enjoy it; treasure it with us!

## Second Year Typing Class

We, the staff, express our appreciation and gratefulness to the second year typing class and Mrs. Jean Hollowell who have worked so diligently and willingly to make our

1962 GRANNAWAYNE a reality. Our project could not have been completed without the help of these interested persons.

## *Dedication*

To MRS. EVADEANE JONES, who has proved to be a deserving teacher, we, the Seniors, affectionately dedicate the 1962 GRANNAWAYNE. For her leadership and keen judgment in making our banquets outstanding and our FHA a stronger organization, we express our appreciation. Her influence and guidance, while working so closely with the girls in teaching them the skills and techniques of homemaking, have helped to develop deeper traits of character in the future adults. We shall remember the interest, understanding, and fairness she has shown in treating each of us as an individual and assisting us with our problems both inside and outside school. We, therefore, are happy to honor her in this way.

The library for study and research.

The time we enjoy most!

## *Special Recognition*

We, who were privileged to be the students of Miss Ruth Gardner, wish to give special recognition to her in our yearbook. Her friendliness toward everyone and her everpresent enthusiasm and cheerfulness help to compose the remarkable personality possessed by her. As her students, we were shown through her tireless and efficient teaching that subject matter, even of the most complicated subjects—especially English—was not as hard as we had thought. As seniors, we are very much aware of the effects of her guiding influence at a period in our lives when understanding and the building of self-confidences were most important. We thank you, Miss Gardner, for being such an efficient, attractive, and likable person.

10:45! Ice-cream!

Lucky freshmen! They have physical education.

Learning a skill which will make us better homemakers.

Let us prove by experimenting.

Betty Lou, we feel that your service to the school has been invaluable. For your friendliness, efficiency, fairness, and willingness to help both students and faculty, we say thank you.

We, the Graduates of '62, wish to extend to our principal, Eugene Morris, a warm welcome. We wish to express our gratitude for the guidance, understanding, interest, and patience that he has so willingly shown us. May this year at Grantham be one that he will recall with pleasant memories.

# Class Prophecy 1961 - 1962

Returning from my overseas job of six years as an International Farm Exchange Instructor, I, JANE LEE, was very eager to be home again. Thoughts of the pleasant experiences associated with home ran through my mind constantly. During my vacation I was looking forward to visits with several of my classmates. Any late news concerning persons I once knew would be interesting.

In my eagerness to alight from the plane, which had glided smoothly onto the Goldsboro Airport runway, I missed the last step and sprained my ankle. This accident caused me to be rushed to the nearest doctor.

I was unhappy to think of the awkwardness this sprain would cause since I had anticipated being carefree. Oh! What a delightful surprise to read the names BYRON KENDALL DUNN, M.D., and RUSSELL WAINWRIGHT WEAVER, M.D., on the plaque before the clinic.

My misfortune was enlightening because Dr. Dunn and Dr. Weaver had worked closely with several of our classmates. So, let me tell you about the 1962 Grantham Graduates.

FAYE BEST is serving as the Head of Nurses at Walter Reed Hospital in Washington, D. C.

FAYE BRITT has just accepted the position of private secretary to the President of the United States.

MARY ALICE BRITT is now running Twilight Beauty Salon in New York with JOYCE CARROLL as chief hair stylist.

JO ANN BROCK and PAT GRAY are happily married to two Air Force colonels and are living in Honolulu.

NOVELLA PRICE and SANDRA REAVES, who have proved their trustworthiness, are working as F.B.I. Agents.

Florida's Palm Beach streets are running smoothly since WINFRED BROCK has taken over the Hollywood Taxi Corporation.

TERRY WILLIAMS, who never enjoyed walking, has built himself a scooter in which he rides to work at the post office.

EUGENE COX is now coaching ball at N. C. State College.

ANN PRICE, the career girl, is now in Italy designing our latest fashions.

GEORGE WESTBROOK tried his skill at many jobs of the world but could not find one to suit him. Now he helps his father as game warden.

DONALD DENNING, who studied auto mechanics, made good in the auto world. He is now in Detroit designing Chevrolets.

ANNIE LOU DANIELS worked a while at Sears but has found a happier life since she settled down with her family.

JUDITH WILKINS is now at her wits-end trying to help her little boy with his homework.

ALICE FAYE THOMPSON is working at Arthur Murray's Dance Studio, teaching handsome young men how to cha-cha-cha.

KENNETH LAWS, who is now making the U.S. Air Force his career, is stationed in Reno, Nevada.

BARBARA STEVENS is now secretary to B. R. GLIDEWELL, who is President of General Motors Corporation.

KENNETH PENNINGTON, with his love for math, has taken Mrs. Narron's teaching position at Grantham High School.

ANN THORNTON is now a most dashing airline stewardess with Eastern Airlines. She has recently married one of the pilots.

Now residing in New Zealand, are CARROLL GRADY and KENNETH HOOD, who are busy at work trying to prove their theory that the earth is flat.

JEAN DAIL writes a lovelorn column in one of New York's most famous daily newspapers owned by DONALD HARRELL.

Touring the European countries as a tobacconist for R. J. Reynolds Tobacco Company is Grantham's JUNNIE KORNEGAY.

Business has increased at Macy's in New York since JUDY WEAVER has become one of the models.

EARL TAYLOR is now working for Ringling Brothers' Circus. We'll have to hand it to him, he really keeps his cage tidy.

FAYE DANIELS and LINDA WEAVER are touring France to study art at its best and to exhibit some of their paintings.

LINDA GRADY has settled down in the growing city of Clinton and is rearing a house full of children.

Making hits on Broadway is GERALD GRANTHAM. He is playing the leading role in "Peter Piper."

MISS EDNA JOYNER is very happy as the Supervisor of Nurses at Goldsboro Memorial Hospital.

JERRY STRICKLAND is now manager of the International Harvester Company in Goldsboro.

How fast time passed and pain vanished. With the expert care of these doctors, who have made marvelous improvements in the rapid healing of sprains and other types of wounds, I learned that a little rest each day would take care of everything. I was almost happy that they had been given the chance to prove their efficiency to me.

A high-contrast, black and white photograph of a hand holding a gavel. The hand is positioned in the lower right, with the thumb and fingers gripping the handle. The gavel's head is raised and angled towards the upper left. A bright light source from the left creates a strong highlight on the back of the hand and the handle, while the rest of the scene is in deep shadow. The background is dark and textured.

Dorothy

Words can't express the great pleasure it has been being a friend of yours for the past years. We have had a lot of laughs together haven't we? I know we will enjoy our Junior and Senior Banquet this year. I cannot wait until we are Seniors but it seems like a long time doesn't it? I have enjoyed going to the J.H.N. Rallyes especially the rally at Wilson. Would you like to have a papa burger? Remember of the times we would see each other at Newton Grove. Remember the Sunday we went to Houses Milland I know you won't forget when we went to see Times Tobacco beds. They were very pretty weren't they. Ha! I hope we will have lots more fun together especially with two certain boys, you know what I mean. I am sure you will have the best success in life as possible with your intelligence and charm you cannot fail. May God be with you through out the future.

# The Junior-Senior

Dorothy,

It has been a true and deep pleasure knowing and coming to school with you for the past 11 years. They have been fun, haven't they? I hope our last year will be a happy and memorable one. I wish you and -- all the success and happiness in the world because you are a very sweet and deserving girl. Good luck and may God bless you richly.

A friend

Margaret Jynes

Dorothy,

Being a friend and classmate of yours for the past eleven years has truly been a pleasure. I'm certain next year will be the best because we will be seniors. Here's thanking you for leading our class in all the things we've done. I must say you've really done a good job. I'm sure you'll find success and happiness. May the best of everything be yours.

Good luck,

Linda Jernigan

Dorothy,

I can truly say it has been a pleasure being one of your classmates through these years. I'm sure everyone will always remember you as being an outstanding leader for our class. May you always have the best of luck in anything you attempt.

A friend,  
Ellen Sutton

Dorothy,

We really had fun at Raleigh didn't we? I hope you all have a good time next year. Please don't listen to Carl if he wants you to see a drunk man. Ha

With your many potential abilities you will be able to reach any goals you wish.

Please excuse the writing, because Mr. Thomas is looking at me. Remember: I was writing this in Chemistry.

Love,  
Jane Lee

(Reserved)

Dorothy,

Your friendship in past years has meant more to me than words can possibly say. We have had many good times together and I hope we will <sup>have</sup> many, many more. I feel that we have become much closer in the past 2 years. You are truly a wonderful friend.

Remember when you, Neil and I used to go to Boldsboro to the show? We really had many laughs. I will never forget the night we saw "Psycho". I was even scared to get out of the car when I got home.

I will never forget <sup>the</sup> Sunday evenings we have been to Boldsboro and all the boys we have met together. Remember the times we talked to a certain New Hope boy? I know I will certainly never forget the times that we have talked with George and rode around with him. How about the night we were on the truck and some boys jumped in the back when we stopped at a stoplight. I know you and I would have died if they had not got out. I don't think I've ever laughed so much in my life.

All the experiences of our past school years will be cherished memories throughout life. I'm sure next year, our senior year will hold even more pleasant memories. I sure hope we can go to college together. I know we will have a good time at the banquet. I just wish that you could go with a certain "Ken". You will probably go with him next year to the junior-senior as a "dignified senior."

I know I could never ask for a more thoughtful, understanding friend. I know your theory must be "your troubles are my troubles". Anytime I have troubles you are always willing to lend a helping hand. With your thoughtfulness, understanding, and intelligence, I'm sure success will be easy to obtain. May God bless you always,

A friend forever,  
Brenda

Dorothy,

It has been a pleasure being in French class with you this year. Even though I do not learn ~~much~~ much French maybe I did not disturb you so that you couldn't get it. The best of luck to a very nice girl.

A friend,  
Gerald N  
H

Dorothy,

I'll always remember these past years in school with you. If I had a brain like yours I'd study and try to improve myself instead of getting married. But I do hope you and Carroll the best of luck in the future. I'll always remember you as a nice girl you have my "best of luck".

a friend,  
J L.

Dorothy,

It has been nice knowing you in French this year. I hope you get more from French than I do. The best of luck to a real nice girl.

A friend,  
Caulton

Dorothy,

I have enjoyed knowing you during Study Hall. If you will listen to Brenda and Beulah you might catch a boy on Main Street too. Best of luck.

A friend

P.S.

Steve Castella  
Don't listen to ~~do~~ hard
